Description

As a Customer Success Specialist at Prospus Consulting Pvt. Ltd., you will play a critical role in ensuring our customers have a seamless onboarding experience and feel confident using our SaaS products. You will be responsible for providing continuous support, guiding customers through the onboarding process, addressing their questions, and ensuring they maximize the value of our solutions. You'll work closely with internal teams to relay customer feedback and improve product offerings. This position requires excellent communication, project management skills, and a passion for customer success in the SaaS domain.

Employment Type

Full-time
